

Shouldn't Life's Biggest Purchase Come With a Warranty?

If you're like most people, your home is your most valuable investment. Give it the protection it deserves!

Edina Realty Home Services has partnered with HMS National, the country's premier home warranty provider, to offer unique home warranty programs as well as coordinate professional home inspections. These comprehensive service contracts protect you against the mechanical breakdown of covered systems and appliances in the home, before, during and after the home's sale.
